At the outset, the Chief Administrator welcomed the Chairman and all the officers and expressed that the purpose of review meeting is to ascertain as to what follow up action has been done at the level of the officers on the issues flagged by the Principal Secretary, Town and Country Planning Department and to expedite taking action where they are lacking. After that, agenda items were taken for discussions. The brief of discussions and the decisions taken are as under:-

Agenda item No. 1: To review the pending acquisitions.

While reviewing the status, the Chairman made the following observations:-

(i) Faridabad Circle:-

It was observed that in cases where notification u/s 6 is to be sent by LAO, there are inordinate & avoidable delays despite the fact that very few number of objections were filed u/s 5-A. The LAO was directed to submit the proposals at the earliest.

(ii) Gurgaon Circle:-

- (a) In the matter related to acquisition of Open space in Sector 72, 72A, Gurgaon (213.49 acres), it was ordered that the ADUE shall conduct a preliminary enquiry and investigate the matter and fix the responsibility of the officials who delayed the case for administrative approval despite issuance of notification u/s-6 on 06.02.2014.
- (b) Regarding hearing of objections for sector Roads for Sec. 75 to 80, there is a 6 month delay in hearing of objections u/s 5A & sending request for JSIC to Administrator, Gurgaon. Explanation of LAO be called for the same by DGUE.
- (c) In the matter related to acquisition in Sector-52 & 57 Part, Gurgaon, the Chairman expressed his displeasure on the delay in submission of section 6 notification and ordered for seeking the explanation of Land Acquisition Officer, Gurgaon.
- (d) In case of Sector road, Sector 58 to 67, Gurgoan Land Acquisition Officer apprised that 04.07.2014 is fixed for hearing of objections. PSUE directed LAO to submit the case within 10 days of hearing of objections.
- (e) For Transport & Communication Zone, 90 Mtr wide V-2 (e) type road with 30 mtr green belt on both sides of CPR, it was stated by the L.A.O that objections have been heard on 06.11.2013 & 07.11.2013 and now 07.07.2014 is fixed for JSIC. It was directed that explanation of Land Acquisition Officer be called for delaying the submission of case to Administrator, HUDA, Gurgaon.
- (f) LAO was directed to submit the proposal for declaration u/s -6 for Open space sector 76 to 95, Sector 99 & 102A at Gurgaon within one week.

(g) For sector Roads of Sec. 1 to 4 Dharuhera, the Section 6 declaration was done on 16.09.2013. The rates are yet to be finalised. Commissioner/Ggn. and Deputy Commissioner/Rewari be requested to do the needful immediately.

Chairman instructed DGUE to personally monitor the cases mentioned at Sr. No.(d), (e) and (f) above.

(iii) Panchkula Circle:-

The PSUE observed that there are only seven cases in the entire Panchkula Circle but still the Land Acquisition Officer, Panchkula is very lax in his approach. PSUE ordered that the Land Acquisition Officer, Panchkula may be charge sheeted under rule 8 for the delay in submitting the proposal for section 6 notification for the land measuring 0.478 acre in case of Kurukshetra and proposal for section 6 land measuring 0.9875 acre in case of Kaithal, despite no objections having been received and also for issuing charge sheet under rule 7 for delay in announcing the award in Sector 45 green belt & road (7.61 acres) in case of Karnal acquisition, if he is found at fault by Administrator, Panchkula in this case. The Administrator, Panchkula shall submit his enquiry to DGUE in 15 days.

(iv) Rohtak Circle:-

In case of acquisition of land for **(a)** Sector Road 59-64, 63 Agriculture Zone, Sonipat **(b)** 15, Part Sonipat **(c)** Sewerage Treatment Plant Sonipat **(d)** Sector Road 5-15, 4A-15, 4A-3B, 3A-3B, 3A-4, 3A-3-14 Bhadurgarh **(e)** Sector-2 Pocket & Sector roads of 4A-3B, 3A-3B, 3A-4 etc. of Bahadurgarh, the Chairman noted that administrative approval was sent in time but LAO, Rohtak failed to announce the award, due to which a huge financial implication would accrue because now the award will be announced as per the provisions of new Act. It was ordered that ADUE will check whether the award could have been announced as per old rates, the reasons for delay & fix the responsibility for loss to the exchequer/authority on account of delay within a month positively.

While concluding this agenda point, Chairman observed that monitoring of land acquisition cases is not being done properly at the level of respective Administrators. He also ordered that ADUE will prepare a standard timeline for acquisition cases as per the old and new sections.

It be ensured that this timeline is followed by all the concerned offices/officers. Broadly the following timelines were agreed:-

Notification issued u/s 4					
Sr. No.	No. of objection in a case	Land Acquisition Officer	Administrator HUDA to conduct JSIC and submit case to CA, HUDA.	Chief Administrator, HUDA, Panchkula	ADUE
1	1-50	1 month	1 month	15 days	10 days
2	50-100	2 months	45 days	15 days	10 days
3.	100 and above	3 months	2 months	15 days	10 days

Declaration issued u/s 6						
Sr. No.	Date of notification u/s 6	LAO to coordinate and fix meeting with concerned DC for fixation of Collector rates	DC to hold a committee meeting and fix the rate	LAO to submit final calculations with respect to the date fixed for announcing the award	ADUE to seek administrative approval for the amount	ADUE to issue the power u/s 7 to LAC after declaration u/s 6.
1	-	15 days	15 days	1 month	1 month	15 days

Chairman observed that the LAOs are not announcing the awards in respect of the structures and trees in time and LAOs present in the meeting informed that it was due to non-receipt of assessment from the XENs in time. Since the structure plates of all constructions prior to Section 4 notification are always available on acquisition file, it should not be difficult to get the assessment done. All the Administrators were directed to ensure that the XENs of HUDA including Horticulture send the assessment within one month of seeking report by the concerned LAOs and if there are any lapses, same should be brought in writing to the notice of the concerned Administrators by the LAOs who will ensure assessment immediately.

(Action : All Administrators, LAO's, DGUE)

- (a) It was intimated that in the case of Pradeep Yadav, an affidavit was filed in which the complete list of cases where land was released from 1.1.1991 till the date of filing of the affidavit was submitted before the court. All Estate Officers were directed to obtain the copy of this list of released cases from

the office of ADUE and enter the same in the register maintained for this purpose in respect of each Estate Officer. Same will be checked by all the Administrators for ensuring compliance.

- (b) It was also intimated that the list of released cases is also prepared for information of higher authorities during the Assembly Sessions. This also be used to update the database in each Estate Office. **Agenda No. 4 : To review of zoning plans.
Status of Approval of Zoning Plans of allotted residential,
Industrial, Institutional, social/religious & Charitable sites
up to 31.05.2014.**

It was observed by PSTCP that despite the fact, that instructions dated 13.11.2007, 14.11.2007 & 21.04.2009 have already been issued for finalization of zoning plans of all categories of sites in time bound manner and also that zoning plan should be approved before allotment of site, still it has come to the notice that zoning plans for some of the sites have not been prepared even after many years of allotment of such sites. Non finalizations of zoning plans have huge financial as well as legal implications.

PSTCP ordered that the Estate Officers being custodian of HUDA land have been appointed Member Secretary of the Zoning Plan Committee. The status of possession, demarcation, allotment, litigation, encroachment etc. is available in their offices, hence, preparation of zoning plan and getting it approved site wise, before allotment/auction will be the primary responsibility of E.O. concerned. If the concerned Estate Officer face any difficulty regarding preparation and getting its approval, he will immediately inform the concerned Administrator for corrective steps.

(Action : All Administrators, Estate Officers, C.T.P & DTP's)

The status of zoning plans of all the zones put up by the Town Planning Wing was also reviewed by PSTCP and it was observed that:-

- (i) Faridabad :- It was found that no Zoning Plan is pending for any of the allotted sites.
- (ii) Gurgaon :- It was observed that 54 nos. social/religious sites have been allotted, but zoning plans of only 49 sites have been prepared.
- (iii) Hisar :- In case of Hisar, it was noticed that against the 6 no. allotted institutional sites and 4 Nos. Social/religious sites, zoning plans have been prepared only for 5 No. & 3 No. sites respectively.
- (iv) Panchkula :- In case of Panchkula, it was noticed that against the 231 no. allotted institutional sites and 85 Nos. social/religious sites, zoning plans have been prepared only for 228 No. & 81 No. sites respectively.
- (v) Rohtak :- In case of Rohtak, it was noticed that against the 29 no. allotted institutional sites and 18 Nos. Social/religious sites, zoning plans have been prepared only for 27 & 15 No. sites respectively.

This lapse was viewed very seriously by PSTCP and following directions were given:-

1. The Zonal Administrators to look into the lapse and fix responsibility of the concerned officer for the laxity. A detailed report will be sent by them to Chief Town Planner at H.Q. in seven days giving the date of approval of plan/site, demarcation, allotment, reasons for non approval of zoning plan of site.

(Action : All Zonal Administrators, C.T.P)

2. That wherever Architecture Controls are applicable, it should be similarly ensured by Administrators that the Architecture Controls are duly approved & displayed prior to the site being put to auction/allotted.

(Action: Zonal Administrators, Senior Architectures, HUDA)

3. In case of un-allotted sites where zoning plans have not been prepared, no reasons have been provided for non preparations of zoning plans, although as per instructions zoning plans of all these sites should also have been prepared simultaneously as per time lines defined in the instructions. All the pending zoning plans should be got finalized within next 15 days and a comprehensive status in this regard should be sent by Administrators by 31.07.2014.

(Action : All Zonal Administrators/CTP/All EOs)

4. In future, no site should be recommended for allotment by urban branch without attaching duly approved zoning plan of the site, being recommended to the Govt. for approval.
