**SPEAKING ORDER No. 11 /2017**

**(c) Regulation-10 of The Haryana Urban Development (Disposal of Land and Building) Regulations, 1978, defines the tentative price/premium as under:-**

**(d) Regulation -2(b) of The Haryana Urban Development (Disposal of Land & Building) Regulations, 1978 further provides as under:-**

Provided that the award of the Court may also direct that where such excess or any part thereof is paid into Court after the date of expiry of a period of one year from the date on which possession is taken, interest at the rate of fifteen per centum per annum shall be payable from the date of expiry of the said period of one year on the amount of such

excess or part thereof which has not been paid into Court before the date of such expiry."

### **Records of Personal hearing**

**3.** As per the orders dated 22.12.2016 of Hon'ble High Court in CWP No. 2327 of 2015 titled as Haryana Excise & Taxation Welfare Organization, Gurgaon Vs Haryana Urban Development Authority and others, an opportunity of hearings was afforded to the petitioner society on 22.3.2017. A representation was made by the petitioner society and requested to pass a speaking order on the points raised in their representation.

### **Discussions and Findings**

**4.** Before taking up the matter, it is clarified that additional price on account of the enhanced compensation to be recovered from the allottees, is worked out by the Chief Administrator as per Regulation 2(b) of Haryana Urban Development (Disposal of Land & Building) Regulations, 1978 on account of the enhancement of compensation of any land in the same sector by the Court. This amount is calculated sectorwise and is applicable for the full sector.

**5.** The discussion and finding of the committee on issue raised in the representation of Haryana, Excise and Taxation Welfare Organization, Gurgaon as under :-

**Para a of the representation:-** That the Society was given an alternative group housing plot in Sector-43 (Part), Gurugram, measuring 10142.59 Square Metres, vide Estate Officer, HUDA, Gurugram memo No. A-GHS 754/2002/5267 dated 26.03.2002 in lieu of group housing plot GH-88 in Sector-54, Gurugram, allotted by draw originally under the Group Housing Scheme, 1998 because the original group housing plot (GH-88 in Sec.54) was non-existent on the ground. The Society was charged price of land @ ₹ 2711/- per Sq. meter for the alternative plot which was same price as fixed by HUDA in respect of group housing plots in Sector 54/55/56, Gurugram under the 1998 Scheme. That HUDA raised a demand for ₹ 6,29,01,447, vide Notice No. 5721 dated 8.5.2012 and again a demand of ₹ 5,67,51,645, vide Notice No. 8602 dated 21.7.2014, on the society for recovering purportedly the enhanced amount of compensation that was awarded by the reference court vide order dated 19.1.2009 and by the Hon'ble High Court vide order dated 1.10.2010 to the evacuee of land of Sector-43 (part).

## SPEAKING ORDER No. 11 /2017

The Society submits that in the circumstances narrated above, HUDA's long held policy had been to charge price of the alternative plot of land given in the adjacent sector on the same rate and terms and conditions of the original plot. It was for this reason that HUDA charged price for the existing alternative plot in Sector 43 (Part), Gurugram at the rate of ₹ 2711 per sq. mtr which was same as fixed by HUDA for group housing plots in sector 54/55/56, Gurugram under the Group housing Scheme, 1998. Therefore, the Society contends that it cannot be burdened with enhanced price of the alternative group housing plot of land in Sector 43 (part), Gurugram. In this regard, the Society may draw the attention to HUDA's policy circulated vide memo no. CVO/AU-1/2007/43162-84 dated 10.12.2007, wherein it is stated at para b, as under:

*"If the plot is not available in the same sector then alternative plot may be given in the adjacent sector on the same rate, terms and conditions of the original plot".*

The above policy has been reiterated vide Memo No.U.B.-A-6-2013/7934-57 dated 18.02.2013. The Society submits that cause of action in its case arose on receiving the notices issued by HUDA dated 08.05.2012 and 21.07.2014 for enhancement of price of the alternative plot of land given to the society. So HUDA's policy spelled out in the two documents dated 10.12.2007 and 18.02.2013 mentioned above is applicable. The society prays that it be charged price of the alternative group housing plot of land given to it in sector-43(Part), Gurgaon on the rate, terms and conditions of the original group housing plot in sector-54/55/56 allotted to the society under the Group Housing Scheme, 1998. This is the first and foremost contention of the society because if this issue is settled in favour of the society, then the other contentions raised hereinafter would not survive.

**Findings :-**In this regard, necessary instructions No.2/HUDA/Finance has been issued vide Endst. No. CCF-Acctt.II/2015/2790-91, dated 09.02.2015 in which it is mentioned that the office has already issued clarification vide this office memo no. HUDA-Acctt-II-2013/43644-45 dated 26.11.2013 on the basis of High Court decision dated 8.08.2013 in CWP No. 2759 of 2013 titled Mahender Pal Jain Vs HUDA that in respect of allotment of alternative plot in the adjoining/different sector, the enhanced price shall be charged of the sector where alternative plot has been allotted. The above said

**SPEAKING ORDER No. 11 /2017**

instructions have also been uploaded on the website of HUDA under link [https://www.huda.org.in/\\_layouts/CCF/Interest\\_on\\_deposit\\_of\\_additional\\_price\\_against\\_original\\_plot\\_on\\_account\\_of\\_enhancement.pdf](https://www.huda.org.in/_layouts/CCF/Interest_on_deposit_of_additional_price_against_original_plot_on_account_of_enhancement.pdf).

**In this case petitioner society was allotted an alternative plot in Sector-43, Gurugram. Therefore, the enhanced compensation of Sector-43, Gurugram has rightly been charged from the petitioner society as per the above said policy.**

**Para B of the representation:-** That HUDA decided to adopt the following formula for fixation of price of land for GHS, vide approved agenda item No. A-44 (28) dated 24.1.1990 of 43<sup>rd</sup> meeting held on 18.10.1989:

**FORMULA:**

Price of land for group housing

$$= \frac{\text{Land Cost}}{\text{Percentage of plotable area of the sector}} \times \text{FAR of group housing plot}$$

$$+ \text{Dev.cost} \times \frac{\text{Density of group housing scheme}}{\text{Ruling density}}$$

That the above formula was applied for fixation of prices of residential plots vis-a-vis group housing plots is evident from the prices of residential plots given in the brochure titled 'Freehold Residential Plots' dated 09.11.2001 and the prices of group housing plots given in the brochure titled 'Group Housing Scheme, 2001' dated 11.01.2001. The prices are given below for comparison:

**Rates of free hold residential plots in Gurgaon**

Category of plots (Size in meters.)	Rate per square yard (₹)
---	---
14 Marla (13X22)	4500
10 Marla (10X22)	4500
---	---

**Rates of plots in Group Housing Scheme, 2001 for Gurgaon**

Category of GHS	Rate per square yard (₹)
250 PPA	2961
400 PPA	3628

It is seen from the above formula that 'Land Cost' is the first determinant in calculating the price of land for group housing. The 'land cost' after

*Ve=*

## SPEAKING ORDER No. 11 /2017

announcement of the awards by the courts in respect of the land acquired for the sectors is the one that was awarded finally by the courts. The Society prays that the enhanced price of land for the group housing plots be computed by application of the above formula.

**Findings :-**The tentative price of the land to be allotted to the GHS is computed on the basis of the above formula approved by the Authority but enhanced compensation is recovered from the allottees, as worked out by the Chief Administrator as per Regulation 2(b) of Haryana Urban Development (Disposal of Land & Building) Regulations, 1978 on account of the enhancement of compensation of any land in the same sector by the Court. This amount is calculated sector wise and is applicable for the whole sector. Hence, the additional price on account of enhancement has been determined properly as per HUDA Regulations.

**Para C of representation :-** That the agreement in Form 'A' executed between the Society and HUDA for completion of development work on the group housing plot states vide clause 2, sub-clause (i), as follows:

*"However, if the organisation completes the construction within 3 years of the date of offer of possession as mentioned above, 20% rebate on price of land would be given and would be adjusted towards the future instalments".* It is a matter of record that the society completed the construction within the above said period of 3 years and was given rebate of 20% of the price of land. At that time the price of land calculated on the basis of award given the collector for acquiring the land was tentative. Price of land is actually the price determined by the courts finally (It is for this reason that HUDA charges interest on the enhanced price of the land, as determined by the courts, from the date of the acquisition of the land), therefore, the rebate of 20% of price of the land determined finally. The society prays for computing the same accordingly.

**Findings:-** As per the terms of agreement, petitioner society was to be deposited 25% of the tentative cost of the land as initial deposit and further agrees to pay the remaining 75% of the tentative cost in 5 equal annual instalments alongwith interest @ 15% p.a. on the balance amount. Any Further enhancement in the cost of land awarded by the competent authority under the Land Acquisition Act shall be payable proportionately as determined by the Authority from time to time. However, if the

✓  
E

## SPEAKING ORDER No. 11 /2017

organisation completes the construction within three (3) years of the date of offer of possession, 20% rebate on price of land would be given and would be adjusted towards the future instalments. As per Section 2(i) of the Haryana Urban Development (Disposal of Land and Building) Regulations, 1978 "Tentative Price" or "tentative premium" means such price/premium as may be determined by the Authority in terms of Regulations 4 for disposal by allotment in which the cost of land included is bases on the compensation awarded by the collector under the Land Acquisition Act, but does not include any enhancement that may be awarded by the court on reference made under section 18 of Land Acquisition Act, 1894".

**As such 20% rebate is admissible only on the tentative cost of the land which was initially deposited at the time of allotment.**

**Para D of the representation:-** That while the references court announced the award vide order dated 19.1.2009 and the Hon'ble High Court vide order dated 1.10.2010, each enhancing the amount of compensation payable to the evacuees for acquisition of their lands, HUDA issued notices for recovery of the enhanced prices of the land on 8.5.2012 and 21.7.2014 respectively i.e. late by 3-4 years on which period HUDA has charged interest. This is wholly unjustified for the period of delay is solely attributable to HUDA. The Society cannot be made to pay for the delay on HUDA's part. If HUDA has failed to pay compensation to the evacuees immediately on announcement of the award by the Courts, ignoring the instructions issued vide Memo No. HUDA-Acctts-II-2006/44451-55 dated 21.12.2006, the Society can not be made to pay for the delay on HUDA's part. The society prays for granting of relief from charging of interest for the period of the delay.

**Findings:-** The interest is paid under section 23(1A)/28 of Land Acquisition Act, 1894 by the Collector to the farmers/land-owners from whom land was acquired. Once this amount has been paid by HUDA to the land-owners, the same becomes the part of the cost for acquisition of land. Therefore, such cost of acquisition has to be recovered in the shape of additional price from the petitioners. As per the Regulation 2(b) of the Haryana Urban Development (Disposal of Land & Building) Regulations, 1978, the additional price includes the amount of cost incurred in respect of Courts'

## SPEAKING ORDER No. 11 /2017

decision on reference made under Section -18 of Land Acquisition Act. Thus, HUDA has to recover full cost from the petitioners.

This issue has already been decided by the Hon'ble Punjab and Haryana High Court vide order dated 8.7.1986 in CWP No. 1270 of 1985 read with CWP No. 1283.2975 and 5794 of 1985 in the matter of Urban Estate Welfare Association (Registered), Karnal Sector-13, Karnal where under HUDA as per page-9 of the order made submissions that **"Payment of enhanced compensation is made by HUDA out of its own resources and no assistance from the State Government or financial institutions is available to the Organization for this purpose. Since this amount is to be subsequently recovered from the allottees from over a period of times, it becomes difficult to make payment immediately after the announcement of the enhanced amount of compensation by the District Court/High Courts. The investment made by HUDA towards the payment of enhanced compensation from its own resources further strains the commitment or development works in other areas. Consequently, a certain amount of delay is inevitable."**

The Hon'ble Court held that the amount of enhanced compensation has been paid by the HUDA and its burden must fall on all the plot-holders. Hence, interest is rightly charged from the concerned society.

**Para E of the representation :-** That in calculating the price of the land for residential plots in sectors 43 (Part), Gurgaon, Infrastructure Development Charges @ ₹ 400/- per square yard and Extra Development Charges @ ₹ 1100/- per square yard have added over and above EDC and the cost of development of infrastructure. This is evident vide HUDA's reply No. HUDA-Accts-Acctt-II-2013/1535 dated 27.5.2013 given under the RTI Act. The Society requested HUDA for supplying the details of these charges as also whether such charges have been included in fixing the price of the land in other sectors in Gurugaon or elsewhere in the State, vide application made under the RTI Act dated 1.4.2016. HUDA in reply thereto vide No. HUDA.CCF.ACCTT-I-2016/16319 dated 22.6.2016 has simply furnished a copy of Notification dated 28.1.2008 in support of development charges of ₹ 400/- per square yard without giving any details thereof. Further HUDA has not been able to furnish even a fig leaf of notification to justify Additional IDC of ₹ 1100/- and admitted that such

## SPEAKING ORDER No. 11 /2017

like charges are not part of price fixation of residential plots at any other place in the State except sectors 27, 28, 42 and 43 in Gurgaon. Thus, additional IDC are illegal ab initio. The Society prays for exclusion of these charges from the price of the land. A relief on similar ground have been given to the plot holders of sector 27 vide Memo No. HUDA-CCF-ACCTT-II-2016/25877 dated 6.12.2016.

**Findings:-**Infrastructure Development Charges for amounting to ₹ 400/-per sq. meter and Additional Infrastructure Development Charges for amounting to ₹ 1100/- per sq. meter has not been charged from the concerned society while fixing the tentative cost of the allotted land to the Society. The Society was allotted an alternative group housing plot in Sector-43 (Part), Gurugram, measuring 10142.59 Square Metres, vide Estate Officer, HUDA, Gurugram memo No. A-GHS 754/2002/5267 dated 26.03.2002 in lieu of group housing plot GH-88 in Sector-54, Gurugram, allotted by draw originally under the Group Housing Scheme, 1998 because the original group housing plot (GH-88 in Sec-54) was non-existent on the ground. The Society was charged price of land @ ₹ 2711/- per Sq. meter for the alternative plot which was same price as fixed by HUDA in respect of group housing plots in Sector 54/55/56, Gurugram under the 1998 Scheme whereas tentative cost of land under the Group Housing Scheme, 2002 in the year when the alternative plot was allotted was ₹ 3542/- per sq. meter . As such tentative cost of land has been charged on the same rate as applicable at the time of initial allotment of Group Housing plot in GH-88 in Sector-54, Gurugram.

**Para F of the representation:-** Computational error - In the document titled 'PRICE FIXATION IN RESPECT OF RESIDENTIAL PLOTS IN SECTORS-43, Gurgaon' appended to RTI reply dated 22.6.2016 under the heading 'B' Development Cost' the total of items mentioned against serial numbers 1 to 23 has been shown as 16.15 in place of the correct figures 14.90, thus increasing the cost by ₹ 1.25 lakh per acre. After adding 'INDIRECT CHARGES' computed at C) against serial number 1 to 4 in the document (18%+10%+15%+5%) the error escalates to ₹ 185000/- per acre. The same needs to be corrected.

**Findings :-**Regarding computational error in the 'PRICE FIXATION IN RESPECT OF RESIDENTIAL PLOTS IN SECTORS-43, Gurgaon' under the heading 'Development Cost' the total of items mentioned against serial numbers 1

to 23 will be corrected after verifying the figures from the office of Chief Engineer, HUDA, Panchkula.
